VERY IMPORTANT FOR PICTURES AND RECITAL:

For information on correct shoes, tights and hair styles please refer to the costume album on the office desk. For make-up information please see the samples and the make-up kit in the office to purchase or to match colors you may already have.

Costumes should be treated with care and hemmed or stitched where necessary. Keep all loose pieces together-every detail is important. Check the office costume book for details on shoes, tights and hair and be sure to be prepared ahead of time for pictures. Shoes and tights take 1 week to arrive so please order what you need asap.

Attached you will find the schedule for picture day. All students are asked to participate regardless of whether they are ordering a photo package or not since these photos are used as promotional photos for newspapers, magazines and our web site.

Students are asked to arrive 20-30 minutes early for photos to be ready to go on time. We cannot wait past the scheduled photo time for those who are late and we frequently are running ahead of schedule.

Students and a female parent will be able to use the small studio as a changing area. Fathers/brothers will be asked to wait in the blue waiting room. Men and boys will use the Office as a changing room. Parents will not be allowed into the photo room. We will pose the children and take multiple photos of them so that we can capture them at their best.

Picture order forms MUST be duplicated for each separate costume picture order and stapled together with one check attached made out to Lisa Wagner. Order forms can be found in the office and waiting rooms. It is less confusing to us and to you if you pass in your picture order forms before picture day. Thank you.

ALL STUDENTS ARE REQUIRED TO ATTEND THE RUN THROUGH REHEARSALS ON MONDAY/TUESDAY AND THE THURSDAY DRESS REHEARSAL AT TPAC IN ORDER TO PARTICIPATE IN THE RECITAL.

STUDENTNTS MUST BE FULLY UP TO DATE WITH THEIR TUITION TO PARTICIPATE IN RECITAL.
