New Students: Fall choices

Welcome to our new summer students!

Each year CPAM offers a fun fast paced summer session ending with the beautiful Sampas Pavilion Performance on August 18th. We are excited to have you joining us this summer and encourage you to choose your fall class early. As a summer student you have the opportunity to reserve a fall class that fits into your schedule. Simply see the Fall 2011 schedule attached, choose your class and sign up for that class with any member of the office staff before or after class or at OPEN House. Recommend a friend to register at our **OPEN HOUSE any Wednesday Night from 5~7pm to get a \$5 credit toward your tuition.**

Last year's returning students have already reserved their fall choices in order to secure their placement. We keep our classes to 10 to 15 students depending on age to give each student our individual attention.
