Summer Classes are Filling Fast!

Recital Pictures
May 27th and 28th

As the costumes are coming into the studio the teachers are trying them on the students to be sure the fit is correct and to see how the costume looks when they are dancing. I'll be coming around to take photos for the Recital Slide Show which plays for 30 minutes before the recital at Timberlane PAC. If you haven't given permission for us to use your child's photo yet please write out a small permission slip with your name and your child's name.

Costumes should be treated with care and hemmed or stitched where necessary. Keep all loose pieces together-every detail is important. Check the office costume book for details on shoes, tights and hair and be sure to be prepared ahead of time for pictures. Shoes and tights take 1 week to arrive so please order what you need ASAP.

Attached you will find the schedule for picture day. All students are asked to participate regardless of whether they are ordering a photo package or not since these photos are used as promotional photos for newspapers, magazines and our web site. Students are asked to arrive 20-30 minutes early for photos to be ready to go on time. **We cannot wait** past the scheduled photo time for those who are late and we frequently are running ahead of schedule. Students and a female parent will be able to use the small studio as a changing area. Fathers will be asked to wait in the blue waiting room. **Parents will not be allowed into the photo room.** We will pose the children and take multiple photos of them so that we can capture them at their best.

Picture order forms MUST be duplicated for each separate costume picture order and stapled together with one check attached made out to Lisa Wagner. Order forms can be found in the office and waiting rooms.
